General Information

Hours:

Our Trade Counter and Sales Lines are open from 7:30am until 5:00pm Monday to Friday and from 8:00 to 3:00pm Saturdays. We do not close for lunch.

Payment Types:

We welcome Cash, Cheque, Eftpos and Credit Card (Visa & Mastercard) and with no surcharge. If you're in the trade you may find that a credit account makes it easier to make purchases.

Credit Accounts:

If you wish to apply for a credit account, return the FREEPOST card at the back of the book and we will post or e-mail you an application form by return. Processing applications normally takes around a week.

Placing an Order:

We try to make placing an order with us as easy as possible. As well as visiting our trade counter and showroom to collect products or browse. We accept orders by telephone, fax and e-mail.

If you've got a long list of materials, why not phone, fax or e-mail the order through we will call you back to confirm everything is in stock and a pick up time.

Page 7 gives information about how to get a quote and order made to order joinery. For most of our most popular joinery items, we have ordering codes to help make it easier for you to specify what you require.

Deliveries:

It's not always convenient to collect materials, especially if they are large in size. Our delivery area includes most parts of Auckland and we deliver to most areas two or three times a week. Please ask for more information and prices.

Stock Products:

Whilst the majority of our doors & windows are made to order, we keep the following items of Joinery in stock:

- Solid Timber Interior Doors
- Hollow Core Interior Doors
- Traditional Entrance Doors
- Traditional French Doors
- Contemporary French Doors

All these items are listed in the Bungalow & Villa Product Guide.

Displays:

In addition to some displays at our trade counter/showroom in Morningside, we have a wide range of joinery products on display at the Home Ideas Centre in Parnell. (Aisle 2, Stands 100 & 127). **165 The Stand Parnell; tel 09 303 4755; www.homeideas.co.nz**
